

The image features the letters 'ISO' in a bold, pixelated, black-and-white font. The characters are centered within a rectangular frame composed of multiple concentric lines of varying shades of gray and black. The overall style is reminiscent of early digital art or computer graphics from the late 20th century. The 'I' is a simple vertical bar with a flat top and bottom. The 'S' is formed by a series of connected diagonal and horizontal pixel segments, giving it a stepped appearance. The 'O' is a thick, rounded shape with a hollow center, also constructed from pixel blocks.
