

A hand-drawn diagram on a grid background. A square is outlined with a thick black line. Inside the square, there is a 4x4 grid of smaller squares. In the center of the grid, the equation  $2 + 1 = 3$  is written in a simple, hand-drawn font. The numbers and the plus sign are black, and the equals sign is also black. The entire diagram is rendered in a pixelated, hand-drawn style.
