

The image is a pixelated, black and white logo for ASP. It features a square frame with a thick black border. In the top right corner, there is a stylized representation of a folded document or a corner cutout, also in a pixelated style. Centered within the square frame are the letters 'ASP' in a large, bold, pixelated font. The 'A' and 'P' have a distinct blocky appearance, while the 'S' is composed of several connected pixel segments, giving it a more fluid but still pixelated look. The entire logo is set against a white background.
