

The image features the text "EXE" in a bold, pixelated, black-and-white font, centered within a rectangular frame. The frame is composed of a thick black border with a lighter gray inner border. The text itself is rendered in a blocky, digital style, with each letter made of distinct pixels. The 'E' on the left and right are symmetrical, while the 'X' in the middle is formed by two intersecting diagonal lines of pixels. The overall aesthetic is reminiscent of early computer graphics or a digital display.
